2012-13 Parent Special Consideration Form

The formula used to determine your eligibility for federal financial aid is based in part on your **2011** income. If your parents have experienced a significant reduction in their **2012** income, you may request a further review of your financial aid file. All requests for further consideration must be fully documented. Priority will be given to students whose parents experience drastic changes in their circumstances. All requests will be reviewed by the Financial Aid Office and the acceptance or denial of this request will be sent under separate cover **within 3 weeks from the date this form is received.**
