Unofficial Eval Completed by/date:

This is the unofficial evaluation of your credits to date including transfer credits (if applicable) in your chosen major. This evaluation is official when all official transcripts for all previous college work are received and reviewed for transferability by the Registrar's Office AND the Registrar's signature is included.

PURPOSE: The Master of Science in Accounting offers an advanced level of study in various, specific topics in the accounting profession that do not typically appear at the undergraduate level. Students enrolled in the program will be able to further their professional careers with the knowledge gained from these advanced level courses. Students successful in the program will earn 30 credits to enable them to meet the 150-hour CPA certification requirement.

REQUIREMENTS: To successfully complete the Accounting Masters program, the following coursework is required:
• 30 credits as listed under "Major Component/Requirements"
