Award Applied to Following Semester's Tuition

La Roche College Interior Design Advisory Board (IDAB) Mission Statement:

The La Roche College Interior Design Advisory Board shall strive to enhance the quality of the interior design program through a combination of off-campus and on-campus activities. These activities shall serve to increase awareness of the interior design program throughout the region; provide additional funding and donation sources; connect students with internships, service and job opportunities; support program development and accreditation activities; and provide opportunities for students and faculty to network with the architecture and design community.
