Hi Michael,

I wanted to remind you that Theta Mu will continue to pay Kasette's membership dues--forever. The information needed is in this email. I did it last year, but going forward, it should probably be directly from the treasurer. I had a lot of difficulty initially because I didn't know his membership number. That is included in this email.

I look forward to seeing you later today!

Nancy Stoehr, R. N., BSN
