Subject: Thank you for supporting nursing research!

Hi Nancy,

Although you should have received a letter from Foundation Board Chair, Marcia Stanhope, I wanted to personally email you and say "Thank you!" on behalf of the Foundation staff for your recent contribution to nursing research. As you no doubt are aware, the need for assistance is greater during these tough economic times and we truly do appreciate your continued support which allows us to continue to support nurse researchers. If you have not already, I hope you will you will visit the [Foundation's web page](#) to see some of the nurses you are helping around the world heal, lead and learn.

Again, thank you and please do not hesitate to contact me if you need anything.

Have a great week!
