

# FINANCE

**FINANCIAL MANAGEMENT IS CRITICAL** for the success of both individuals and businesses. A skilled financial expert not only aids people in making smart investment decisions, but contributes to the overall financial well-being of an organization.

At La Roche University you'll be exposed to many facets of finance. You'll gain the knowledge, skills and professional experience that you need to prepare for a career in this competitive field, whether you choose to work at an investment, advisory or asset management firm, as an analyst at a financial institution, or as a corporation's chief financial officer.

The Finance major at La Roche University is accredited by the Accreditation Council for Business Schools and Programs (ACBSP), a leading, specialized accreditation association for business education.
