## APPLICATION - Master Science in Accounting

### Admission Materials All materials should be submitted to the University at the same time as the application by Feb. 1.

Master's degree program requirements:

- · A baccalaureate degree in accounting, finance or business from an accredited college or university.
- Overall undergraduate grade point average (GPA) of 3.0 or better on a 4.0 scale. Applicants with less than a 3.0, who show extreme promise through other achievements, may be granted provisionary admission with permission from the program chair. After six credits of graduate-level coursework, these students will be reviewed and may be eligible for full admission after attaining a GPA of 3.0 or better.
- Proficiency in written and oral communications, college-level math, word processing, spreadsheets, databases and the Internet.
- Official transcripts from all post-secondary institutions attended.
- A completed application (will be kept on file for two years).
- Students whose official transcripts are not in English must submit translated transcripts. If this applies to you, please ask your university to provide two original transcripts. The first set of transcripts must remain in a sealed envelope, and the second set should be sent to an official translation agency for translation.
- International students are required to submit TOEFL scores. Visit the La Roche University website for appropriate score information.
- Two letters of recommendation/reference.
- Personal essay of professional and academic goals.
- · Current resume.
- Completed and signed application form.
- Participation in a personal interview once your complete application is received.

Note: Official transcripts are transcripts received by La Roche University in a sealed, unopened envelope from the school in question.

Your responses to the following questions are optional and do not affect your application. These informational questions will help the institution to better serve you. The data also will facilitate reports required by state and federal agencies.
