

Dear Community College of Allegheny County Student:

Thank you for showing your interest in La Roche University. The process of transferring to a four-year institution does not need to be difficult. To help make your transition a little smoother, we have put together this guide that outlines the transfer of credits from CCAC to La Roche University.

This guide will help you schedule your courses by demonstrating how CCAC courses will transfer to La Roche University. In addition to using this guide, I encourage you to contact us for a review of credits or to schedule a campus interview and visit.

The information contained in this guide is based on La Roche University 2017-2018 course offerings and the **CCAC 2017-2018 Catalog**. The transfer of credits is a decision of the Registrar of La Roche University and is subject to change.

Good luck in all of your educational pursuits. We look forward to working with you.

All the Best!
