

CELEBRATE LA ROCHE!

James Dill '77

Accounting/Finance Manager
Teledyne Wireless Inc.

James Dill '77 is the accounting/finance manager for Teledyne Wireless Inc. in Rancho Cordova, Calif. His responsibilities include: managing the general ledger for multiple business units, preparing monthly financials and supporting documents, working with the CFO in maintaining data for U.S. and foreign business units, and managing the report writer in support for financial statements.

Previously Mr. Dill worked as general ledger manager and payroll manager for Teledyne Relays and Teledyne Solid State. He maintained general ledgers in multiple currencies for all foreign offices and corporate international offices while working in internal reporting for Teledyne Corporate Office.

“Throughout my career I have had to adapt to the changing times as the corporation moved from one operating system to another,” Mr. Dill said. “With the trend to consolidate business units, the challenge now is to have the transition take place as smoothly as possible and on time. In addition the financial numbers have to work.”

Mr. Dill served as a member of the U.S. Navy and is a certified aquatic fitness instructor. He and his wife Marti volunteer at their local food pantry in the community of Foresthill, Calif. He has received multiple awards for his community involvement, including the 2004 Charter Development Award and County of Los Angeles Award for Merit Character Development. In 1999 he and Ms. Dill, who also is a hospice volunteer, were recognized as one of 100 community heroes in the city of Long Beach, Calif.

Mr. Dill graduated from La Roche College with a bachelor's degree in math and business administration.

“Not only did the education provide me with a strong foundation – the support, encouragement and the attention to my concerns and welfare provided me with the ability to accept all challenges,” he said. “With this confidence I have been able to move forward all these years. La Roche has given me the tools to think clearly and make educated decisions.”
