

**Virtual Town Halls for Students and Employees
August 6, 2020**

Dear Campus Community:

La Roche University's 58th academic year will be unlike any other we have experienced. In response to COVID-19, we have implemented many new safety measures to fulfill our mission while keeping our students, employees and neighbors safe.

I recognize that many of you have questions regarding the new policies and procedures. Even though we cannot gather in person as a community, I want to give all students, faculty and staff an opportunity to get clarification on the various aspects of our reopening plan, [Redhawks Reunited](#).

I encourage all of you to participate in the following events before classes begin and as campus operations resume:

Virtual Town Halls via Zoom**Tuesday, Aug. 11**

Employee Session – 11 a.m. to noon

Student Session – 2 to 3 p.m.

The Office of Marketing and Media Relations will send invitation links the morning of Aug. 11. All employees and students—including those who are unable to attend—may submit questions in advance to MMR@laroche.edu. The town halls also will be recorded and shared with the campus community by the end of next week.

The Fall 2020 semester will require our collective patience, dedication and perseverance. Ensuring the health and safety of our community is a shared responsibility, and I urge you to use this opportunity to stay informed on how we all can be proactive in protecting each other.

Blessings,

Sister Candace Introcaso, CDP, Ph.D.
President
